This is a comprehensive four (4) level training program from Reiki Level 1 to Master Level. Each level is taught separately and spread out so you have time to integrate each Level.

These 2-day programs will be held in-person at the Life Synergy Inc. healing space in north Edmonton.

For each Level of training you enroll in, you will receive your QSR Medicine Attunement. These Attunements assist you in accessing the energies and medicines for each Level you complete.

You will learn everything you need in this program to become proficient at healing yourself and to begin working with others if you choose too.
